Adventists and Abortion: History and Prospects

This webinar will explain the background for the current Seventh-day Adventist guidelines on abortion. As this topic continues to be a source of national debate, three healthcare leaders will consider the history and the future of the Adventist guidelines.

Objectives

1. Understand the historical development of the current Adventist guidelines on abortion.
2. Explore the basis in Adventist faith for the current guidelines.
3. Consider the clinical implications of the current guidelines.
